

# HEALTH MATES RE-OPENS

## MONDAY 29 JUNE

We are super excited to announce that we will be re-opening on Monday 29 June and are looking forward to helping you get back into a regular exercise routine.

There will be some changes to ensure everyone is kept safe and healthy. These measures will include extra hygiene and safety precautions including sanitising stations at the gym entry/exit, regular cleaning of hard surfaces and common touch points, plus social distancing measures.

### WHAT'S NEW?

While you've been away we've taken advantage of this opportunity to complete some maintenance works, including our change areas, new air conditioning system and saunas.

### WHAT AREAS WILL BE AVAILABLE?

You will have full access to the cardio equipment and main weights area. One toilet will be available for use, or alternatively you will be welcome to use the bathrooms within Revesby Workers' Club. Please note, no shower or locker facilities will be available until 10 July and some areas will be cordoned off for a short period until the works are completed.

### WILL CLASSES BE RUNNING?

Absolutely! We will be holding classes within the club and in our carpark until our studios are available mid July. Due to Government restrictions, class sizes will be capped at 10 people and a schedule will be available online and on our app as we get closer to re-opening.

### HOW WILL PAYMENTS WORK?

Those on direct debit are currently not being charged. We will communicate in the coming weeks as to how the payment structure will kick start in July.

### WHAT IF I'M NOT READY TO COME BACK?

As always, placing your membership on timehold will be an option. Please remember, no debits will be charged in June and we will be sending more information regarding this soon.

### WILL THERE BE OPERATIONAL CHANGES?

The safety of our members and staff are paramount, so there will be changes in accordance with Government restrictions. This may vary over the coming weeks, so we will provide more information as we get closer to opening.

*We are so excited to be able to welcome you all back soon. Thank you for your continued support during these times. Every message of support has meant a lot and helped us to stay positive. We look forward to seeing you soon!*
